ALUMINI		
Sl. No.	SUGGESTIONS	ACTION TAKEN
1	Improve the placement training & career opportunities	Placement hour is introduced for final year students and a greater number of training sessions with external resource persons were arranged
2	Improved experiential learning Technique	Industrial Visits have been planned and executed Successfully.

OUTCOMES

- Students gain practical knowledge and insights through field and industrial visits to various organizations. This hands-on experience enhances their understanding of theoretical concepts.
- Introduction of additional certificate courses such as Travel and Tourism management provides students with opportunities to develop specialized skills relevant to their interests or career goals.
