Our Founder

Pujya Swami Dayananda Saraswati

Pujya Swami Dayananda Saraswati was a spiritual teacher, profound thinker, philosopher, lucid speaker and master of Vedanta. As a world renowned spiritual leader, his influence on the world stage has been enormous. Posthumously awarded the Padma Bhushan, Swamiji was the founder of AIM for Seva, Swami Dayananda Educational Trust, Arsha Vidya Research & Publication Trust and Arsha Vidya Gurukulams in India and USA.

Though deeply rooted in the richness of tradition Pujya Swamiji was contemporary in his thinking and approach to the issues of the day. Swamiji's impeccable logic, brilliant analysis, erudition, precise use of the language, and humour made him the greatest teacher of Advaita Vedanta. His discourses taught the most profound truths in such simple language leaving the audience spellbound. Swami Dayananda Saraswati did not confine himself just to Vedanta. His humanness and empathy extended to all civilizations, and all cultural forms. He strove to preserve, nurture and appreciate the diversity of human culture. There is no place for aggression or domination or conversion in his all embracing approach.

Swami Dayananda Educational Trust

Swami Dayananda Educational Trust (SDET) is a public charitable trust involved in providing quality education to the economically backward sections of rural Tamil Nadu. Manjakkudi is a small village situated in Tiruvarur District and has been at the heart of SDET's activities for over 12 years. SDET runs the day-to-day activities of three schools and one college that serve the rural educational needs of Manjakkudi and the nearly 200 surrounding villages, apart from a number of other initiatives. While SDET started out with access to education as a fundamental aim, over time, the Trust has been involved in various aspects of development in Manjakkudi and surrounding villages.

Vision

To empower and create opportunities for rural communities to realise their full potential and become contributing members of society.

Mission

To realise the vision through sustainable and integrated community development initiatives which includes a space for value-based education and cultural validation with a focus on the village of Manjakkudi and its environs.

Swami Dayananda College of Arts & Science

Around the year 2000, the local residents of Manjakkudi requested Swamiji to start a college, as the girls in their families were losing out on higher education. They were unwilling to send the girls to distant colleges as they feared for their safety while travelling in local buses. Hence, most girls stopped their education with school and went on to get married at an early age. To fulfil this need, Swami Dayananda Arts and Science College, affiliated to Bharathidasan University was started in 2001 in the village itself, as a co-educational institution. Initially, the college operated out of a government-aided school campus, but by 2004, a brand new state-of-the-art campus was built and inaugurated by Pujya Swami Dayananda Saraswati.

Pujya Swami Dayananda Saraswati believed that students should graduate from an institution equipped with not just academic knowledge, but must also be well grounded cultural values. Hence, the college strives to provide the necessary training in keeping with his vision. The college encourages the students to be aware of the current events, innovations and thought processes. At the same time students are taught the importance of punctuality, discipline, respect to elders and service to society. Special classes are conducted on Indian

culture and moral values to enable the students to understand the richness of our tradition and history. The motto of the college "Knowledge, is the greatest wealth" is thus practised both in letter and spirit. The calm and tranquil atmosphere of the college helps to promote a spirit of co-operation among the students.

Affiliation

The college is affiliated to Bharathidasan University, Tiruchirappalli. All requirements and procedures of the University have been fulfilled. The Government of Tamilnadu, by its G.O.No. 103, has granted permission for establishing this college under self-financing pattern with Co-education.

Scholarships at Swami Dayananda College of Arts & Science

Inaugurated on Vijayadasami Day, October 2013, the Swami Dayananda Scholar Program (SDSP) is designed to encourage undergraduate students to excel in their chosen field of study. The program provides students with enhanced academic and cultural opportunities, unique to their primarily agrarian socio-economic background. It is the sincere hope of the SDSP administration that the opportunities and facilities offered will encourage the development of the student both in academics as well as in their personal sphere, and bring honour to the college and our founder Puja Swami Dayananda Saraswati.

The program administration nurtures its scholars through graduation and beyond, expanding their intellect, guiding them academically, encouraging them to experiment with education opportunities, advising them on future prospects and Career options. The program also seeks to enrich its scholars by fostering integrity, leadership skills, a sense of civic – minded responsibility and academic excellence. To achieve these goals, the administration invites guest speakers, urges the students to take up additional project work and participate in seminars. The SDSP provides an atmosphere of continuous learning in which the students can discover their strengths and contribute to the growth of the rural community, the community of scholars, and the country.
